【2022 Presidential Hackathon (PH)– International Track, call for application from April 18th to May 23rd】

2022PHIT is an initiative launched in 2019 by the Taiwanese government, which encourages data owners, data scientists and field experts to collaborate together, and find solutions to common issues with the help of technology and innovative ideas!

Countdown for Net Zero by 2050!

👉 We officially call for your creative ideas from now to 23rd May 14:00(UTC+8)! Save the Earth from Climate Change. Team up! Start your application [here](#)! Both domestic and foreign people can form a team to send the application.

Besides, in order to make you more familiar with the Challenge Theme this year. We have produced an [introductory](#) and 2 webinar videos on [30th March](#) and [19th April](#), respectively.

💡 Challenge Theme⇒ Climate Action: Practicing Net Zero

💚 Let's take climate action together! 🤝

More info at [event page](#).

In addition, we have created a LINE group for civic hackers from different countries to look for team members and exchange ideas. If you are interested, [click](#) to join us ASAP!

We look forward to hearing from you! Live long and prosper!

Should you have any questions or concerns, please send the email to ph.intltrack@gmail.com.

Thank you!
